

Introduction

Thank you for purchasing a UNI Engineering product. Here at UNI, our mission is to make top quality farm machinery, at an affordable price. We achieve this by sourcing only the best quality parts for our machinery and manufacturing it all ourselves in our workshop in Tirau, the heart of the Waikato.

UNI Engineering Ltd is a dynamic company and looks to cater to all your needs. Any feedback you may have is welcomed, and can help us improve our products and services so they can ensure they perform to your expectations.

Delivery

Upon delivery of your new UNI machine, please check to make sure there is no delivery damage. If damage is present, please call our office immediately so we can offer a solution.

A Delivery slip will be present upon delivery. This is to ensure you, as the customer, understand our terms and conditions of delivery, as well as the agreed payment option.

Payment

'Pay on Delivery'

A 20%, or other mutually agreed, deposit is required to confirm the order. Once deposit is received, manufacturing on machine begins. The balance is paid once the machine has been delivered and the customer has checked there is no 'delivery damage.' The machine remains property of UNI Engineering Ltd until full payment has been made.

Finance

Finance options are available at UNI Engineering Ltd and must be agreed upon at the time of purchase.

If a customer continues to use a UNI Product, and has broken the terms of payment, as agreed at time of purchase, UNI engineering Ltd reserves the right to charge additional hireage fees, collection costs or repossess machinery.

Security

UNI Engineering Ltd reserves the right to lodge security against the asset, eg – Trailer, Feedout Wagon or other machinery being manufactured/ provided by UNI Engineering. The security will be released, and the asset will become property of the client, once full payment has been received by UNI Engineering Ltd.

Account Terms

This applies only to maintenance and repair jobs. All accounts are payable by the 20th of the following month following invoice date. Unpaid accounts will incur late payment fees and/or collection costs.

Parts for farm machinery

There are two options.

Option one: Payment must be made in full at time of pick up/delivery on all parts for farm machinery. Failure to do so may result in late payment fees, collection costs and/or repossession.

Option two: At the time of purchase, the client may open an account with UNI Engineering Ltd, allowing client to pay account in full on the 20th of the following month. The standard 'Account Terms,' as listed above, will apply.

Warranty

The machines designed and manufactured by UNI Engineering Ltd is warranted against faulty workmanship and defective materials for a period of 12 Months from date of delivery to the first user, with the exception of contractors or commercial users, where the warranty period is six Months. Such warranty is subject to the following conditions:

This warranty covers the repair or replacement of machinery sold by UNI Engineering Ltd from damages as a result of faulty workmanship or materials in such part or machinery. It does not extend to any other loss or damage to other property or persons.

Electronics or component parts on all UNI machinery not manufactured by UNI Engineering Ltd are subject to the warranty terms from its manufacturer.

No responsibility will be accepted for repairs made other than by UNI Engineering Ltd, without prior authorisation by UNI Engineering Ltd.

Warranty does not cover the following:

- a) Losses sustained through delay in delivery
- b) Travel expenses
- c) Damage caused by accident, misuse, neglect or when operated outside of conditions for which it was designed, or deemed appropriate by UNI Engineering Ltd.
- d) Any goods which have not received maintenance as set out in this book, as well as basic normal maintenance such as tightening bolts, nuts, hose connections and fittings and normal lubrication with the recommended lubricant.
- e) Any second hand goods or parts, or any other goods or parts not originally supplied by UNI Engineering Ltd.
- f) Any goods which has been on sold by the original purchaser

Procedure for claims

- Stop using the machine immediately
- The loss or damage should be reported directly to UNI Engineering Ltd who will advise whether it is covered by the warranty and direct the purchaser accordingly as to what action is to be taken.
- Advise UNI Engineering Ltd the Serial number of machine.

Changes

While all care has been taken to ensure that the information presented on this website is accurate, changes and/or errors may occur.
